

StarCraft 2 ladder help file

The image shows the 'Starcraft II Player Data' form. The 'Ladder League' section is highlighted with a red oval. It contains six radio buttons for selecting a league: Bronze, Silver, Gold, Platinum, Diamond, and Masters. The 'Player Info' section has three text input fields for First Name, Surname, and Alias. The 'Player Stats' section has four text input fields for Wins, Losses, APM Average, and League Standing. At the bottom, there is a 'Report type' dropdown menu set to 'By Favourable w/l' and three buttons: 'Load Report', 'Add Player', and 'Clear'.

This is the only screen you will interact with, first off start by picking a ladder league, only 1 league can be selected

next the you must insert your personal information first name, surname and alias

The image shows the 'Starcraft II Player Data' form with the 'Player Info' section highlighted by a red oval. In this section, the 'First Name' field contains 'tyler', the 'Surname' field contains 'Doye', and the 'Alias' field contains 'Zerabane'. The 'Ladder League' section is now unselected. The 'Player Stats' section and the bottom controls remain the same as in the previous image.
